

Thank you so much for participating in this last survey! As promised, I'm providing each of you with the survey results.

Dr. Ron's Dental Coach Academy Survey Results

April 2008 - 62 Participants

"The level of joy and happiness in my practice today on a scale of 1 to 10" (10 being the happiest)
40.3% answered 8 or above with only 1 respondent at a 10!
50% said in the range between 4 and 7
9.7% out of 62 said 3 or less

Top problems you would like to have solved:

Most would like improved staffing and employee management, and fewer patient problems (like missed appointments). Increased business and profitability followed a close second.

★★★★★★★★

Most of you say your greatest concern is "finding the one key change you can make to best **reduce cancellations** and failed appointments."

★★★★★★★★

Dr. Ron's Dental Coach Academy

Survey Results

Top 3 preferred formats for leadership training:

32% On-line email electronic
courses spaced out over several
weeks and sent to your desktop

27% Face-to-face in classroom

27% DVD / Video

When asked what level of
accountability their staff
demonstrates, most answered:

"Great."

*I know they try hard to please, so I
understand when they don't.*

On the flip side, 8.1% said

"Not so Good."

*I have to stay on top of everything,
all the time.*

43.5 %

**Say leadership
"coaching" for
dentists is a
"Fantastic Idea!"**
